A Message from the Premier

As Premier of the Province of British Columbia, I am pleased to join in welcoming our distinguished guests from China and Canada to the 2007 Canada-China Lawyers Foundation Forum in Vancouver.

The Canada-China Lawyers Foundation Forum will host lawyers and political representatives from both countries and provide them with a valuable opportunity to meet one another, learn from one another and establish long-term professional relationships.

I would like to recognize the volunteers and organizers of this event. I commend them for the hard work and dedication that has gone into making this forum such a success. The agenda offers participants access to information on a variety of interesting topics and I am sure there will be a lot of constructive discussions.

On behalf of the people of British Columbia, welcome to Vancouver and best wishes for a successful 2007 Canada-China Lawyers Forum.

Sincerely,

Gordon Campbell
Premier
