**A Message from the Mayor**

**It gives me great pleasure to extend greetings and warm wishes to the delegates attending the Canada-China Lawyers Foundation Forums hosted by Canada-China Lawyers Foundation.**

**The Foundation is a non-profit society established to create opportunities for lawyers in Canada and China to inform, exchange views and work in partnership to bridge gaps between the two legal systems.**

**In an effort to bridge these two systems the Canada-China Lawyers Forum was designed to facilitate the creation of professional and collegial alliances through close and direct interaction amongst participants.**

**This event promises to be interesting and informative as senior lawyers from the top ten law firms in China and Canada are scheduled to participate.**

**Events like these are an integral part of a thriving and prosperous city and contribute to the sustained growth and socio-economic success of Toronto.**

**On behalf of Toronto City Council, I wish you a successful and informative forum.**

**Yours truly,**
