GREETINGS

On behalf of my colleagues on Vancouver City Council, I want to extend a warm welcome to all the delegates attending the Canada-China Lawyers Forum.

The City of Vancouver has a long tradition of friendship and cultural exchange with China. We are proud of our multicultural City which embraces traditions and cultures from all over the world. Chinese Canadians are one of the groups that enrich our society and contribute significantly to the quality of life in our City. I hope in addition to attending the Canada-China Lawyers Forum you will be able to experience some of the many entertainment and recreational activities available in our city.

We extend our very best wishes to Canada-China Lawyers Foundation for your continued growth and prosperity.

Yours truly,

Sam Sullivan
